the search to find engaging and inspiring ways to introduce children and young adults to shakespeare has resulted in a rich variety of

approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart. Shakespeare for Young People is the only comprehensive overview of such productions and adaptations and engages with a wide range of genres including both British and American examples. Abigail Rokison covers stage and screen productions, shortened versions, prose narratives and picture books including manga, animations and original novels. The book combines an informative guide to these interpretations of Shakespeare discussed with critical analysis of their relative strengths. It also includes extensive interviews with directors, actors and writers involved in the projects discussed.

This No Fear Shakespeare ebook gives you the complete text of Hamlet and an easy to understand translation. Each No Fear Shakespeare contains the complete text of the original play, a line by line translation that puts Shakespeare into everyday language, a complete list of characters with descriptions, plenty of helpful commentary.

For all that we love and admire Shakespeare, he is not that easy to grasp. He may have written in Elizabethan English, but when we read him we can't help but understand his words, metaphors and syntax in relation to our own. Until now, explaining the powers and pleasures of the Bard's language has always meant returning it to its original linguistic and rhetorical contexts. Countless excellent studies situate his unusual gift for words in relation to the resources of the English of his day. They may mention the presumptions of modern readers, but their goal is to correct and invalidate any false impressions. *Shakespish* is the first book devoted to our experience as modern readers of early modern English, drawing on translation theory and linguistics. Paula Blank argues that for us, Shakespeare's language is a hybrid English composed of errors in comprehension and that such errors enable rather than hinder some of the pleasures we take in his language. Investigating how and why it strikes us by turns as beautiful, funny, sexy or smart, she shows how far from being the fossilized remains of an older idiom, Shakespeare's English is also our own.

Shakespeare everyone can understand now. In new deluxe editions, why fear Shakespeare by placing the words of the original play next

to line by line translations in plain english these popular guides make shakespeare accessible to everyone they introduce shakespeare's world significant plot points and the key players and now they feature expanded literature guide sections that help students study smarter along with links to bonus content on the sparknotes.com website a q a guided analysis of significant literary devices and review of the play give students all the tools necessary for understanding discussing and writing about twelfth night the expanded content includes five key questions five frequently asked questions about major moments and characters in the play what does the ending mean is the ending sad celebratory ironic or ambivalent plot analysis what is the play about how is the story told and what are the main themes why do the characters behave as they do study questions questions that guide students as they study for a test or write a paper quotes by theme quotes organized by shakespeare's main themes such as love death tyranny honor and fate quotes by character quotes organized by the play's main characters along with interpretations of their meaning
