devils are a fact of life people have been summoning them from ancient times to do their bidding the rules were simple draw the confusing as heck summoning circle spell to summon a devil make a deal or enter a contract with them in exchange for well something and then came the hard part keeping the deal everyone knew what happened when you backstabbed a devil and it wasn't pretty so when a teenage boy got into a desperate situation he did what all stupid teenagers do pull off stupid things and he had to admit trying to summon a devil of all things might just take the cake

the king james bible teaches that god created the entire universe in six days that all the holy angels for they all still were sang together and shouted for joy and that god saw that everything that he had made was very good for it all still was then the seventh day everything changed save only god the elect holy angels and their heavenly abode this book is about who and what and why and how those changes were made it is the story of life and death holiness and sin heaven and hell angels and demons the seed of the woman and the the seed of the serpent it is the story of the single throne of god and of many unidentified flying objects it is the story of the human race and of another race which only looks human and of still others which don't at all it is the story of an innocent man who died on a cross and rose to be lord on the throne of heaven and of a guilty cherub who fell from glory and will rot forever in a lake of fire this book is the story of the ever war
