being a nurse is more than administering medications patients and families place their trust in nurses hands to save lives and change lives there are many different types of nursing and each and every one is a hero in this book children are introduced to these heroes on every page from a mental health nurse through to a chief nurse officer they will delight at discovering the superpowers we have inside us

nursing is more than a career it is a calling and one of the most important fascinating

and dangerous professions in the world as the frontline responders battling traumas illnesses and aggression from surprising sources nurses are remarkable yet contemporary literature largely neglects them in the nurses new york times bestselling author and award winning journalist alexandra robbins peers behind the staff only door to write a lively fast paced story and a riveting work of investigative journalism robbins followed real life nurses in four hospitals and interviewed hundreds of others in a captivating book filled with joy and violence miracles and heartbreak dark humor and narrow victories gripping drama and unsung heroism alexandra robbins creates sympathetic engaging characters while diving deep into their world of controlled chaos the hazing nurses eat their young sex not exactly like on tv but it happens more often than you think painkiller addiction disproportionately a problem among the best and brightest and bullying by doctors patients and others the result is a page turner possessing all the twists and turns of a brilliantly told narrative and a shocking unvarnished examination of our healthcare system the nurses is a must read both for the general public who will learn hospital secrets that could save their own or a loved one s life and for nurses who will proudly share the book as a rallying cry for support and celebration

the nurses miracles with the heroes of the hospital critical care a nurse faces death life and everything in between caring for patients with mental health issues strategies for all nurses

this is a book of short stories that happen when i was a nurse some are funny and some can be heartbreaking but god is in every story and every life god blessed me with the knowledge to take care of these patients luanne vinson ma bsn ncps cpss i was born in oak ridge tennessee but moved to south carolina when my dad was stationed at fort jackson so i spent the rest of my life in south carolina and god called me into nursing at a very young age i became an lpn in 1981 and an rn in 1984 for 33 years god allowed me to step into people s lives i saw life begin and life end and it was both a privilege and an honor for my patients to let me into their lives god had called me into nursing but i was also a firefighter and emt for five of those years i now work as a national peer support specialist with mental health america of south carolina i was also instrumental along with my friend cindy krell in starting a drop in center for those with a mental illness called the connection center i currently live in west columbia south carolina with my two adult children which was my greatest accomplishment i also have a dog and two cats
