the futures of reproductive justice and lgbtqia liberation are intimately connected both movements were born out of the desire to love and build families of our choosing when and how we decide both movements are rooted in broader social justice liberationist traditions that center the needs of black and brown communities the lgbtqia community gender nonconforming folks femmes poor folks parents and all those who have been forced to the margins of society taking as its starting point the idea that we all have the human right to bodily autonomy to sexual health and pleasure and to exercise these rights with dignity queering reproductive justice sets out to re envision the seemingly disparate strands of the reproductive justice and lgbtqia movements and offer an invitation to reimagine

these movements as one integrated vision of freedom for the future candace bond theriault asserts that for reproductive justice to be truly successful we must acknowledge that members of the lgbtqia community often face distinct specific and interlocking oppressions when it comes to these rights family formation contraception needs and appropriate support from healthcare services are still poorly understood aspects of the lgbtqia experience which often challenge mainstream notions of the nuclear family and the primacy of blood relatives blending advocacy with a legal rights based framework queering reproductive justice offers a unified path for attaining reproductive justice for lgbtqia people drawing on us law and legislative history healthcare policy human rights and interviews with academics and activists bond theriault presents incisive new recommendations for queer reproductive justice theory organizing and advocacy this book offers readers an invitation to join the conversation and ultimately to join the movement to that is unapologetically queering reproductive justice
