Patricia Spadaro is a marvelous guide through the inner realms of the heart. I always feel uplifted by her words. Marianne Williamson, 1 New York Times bestselling author of *A Return to Love* Honor Yourself: The Inner Art of Giving and Receiving, winner of two National Book Awards, skillfully guides us through one of the key stressors and paradoxes of our time: how to balance what others need with what we need. How to give and to receive should I sacrifice for others or take time to care for myself? Be generous or draw boundaries? Stay in a relationship or say goodbye when I give to others? Do I really need to give up myself? Tensions like these are not only a natural part of life; they are life. But rather than focusing on how to pamper ourselves, *Honor Yourself* goes to the heart of the problem so you can find real solutions while

modern society is ill equipped to bring us back into balance the sages of east and west are experts and honor yourself explores their practical and surprising advice combining wisdom from around the world with real life stories and a treasury of tools it exposes the most potent myths about giving that can sabotage your relationships career finances even your health without you knowing it with candor and compassion it shows how to move beyond the myths to the magic of honoring yourself so you can live a life filled with possibility and passion and give your greatest gifts to your loved ones your community and the world we are called to master the delicate dance of giving and receiving in virtually every area of our lives and this beautiful work offers empowering and heartfelt ways to do it it will free you to celebrate your own gifts and greatness as you explore the dynamics behind setting boundaries being honest about unhealthy people in your life honoring endings using feelings to stay true to yourself finding your own voice giving with the heart rather than the head and much more just as importantly honor yourself will teach you the steps for staying in balance for when you learn the steps you can perform the dance and that's when the magic begins

practical tips and inspiring thoughts for living a life of abundance and spirit filled generosity giving of your resources is a profound act that can change your life and the lives of those around you with gentleness and wisdom this practical guide outlines the ways in which cultivating a lifestyle of generosity can be a source of personal transformation spiritual renewal and deep joy you will learn about giving as worship how the major faith traditions offer reverence through giving giving as stewardship managing resources for maximum benefit giving as charity providing for others out of a sense of compassion giving as justice creating righteous equality in our world

this book is related to what you have with you and at no cost you can give it to others well in our entire lives we just forget ourselves and forget about what god has blessed us with and we go on chasing other things without discovering our true self fluctuations in our moods day by day decide that we are not living our life the way we should live it we have not discovered the secret of life we are just going with the flow as our ancestors and we are not living a better and hopeful life whatever we get in life is all what we have given in our life so giving is a great part of life what should be given is a question so that we receive wonderful results out of it this question is answered in this entire book and if you really follow it you will see a tremendous difference in the way you live your life no doubt there should not be second thoughts in your mind while executing everything you read because till the time you dont believe in it and follow it from your heart you are not going to get wonderful results as it is said you have to sow before you reap i cant help it sweetheart this is a law of nature which is above all of us so just carry on and enjoy reading it

the art of giving which paul j meyer cultivates can be summed up in the biblical challenge give and it will be given to you the person who meets the challenge who determines to become a giver in all five resources finance information relationships spirit time and energy will enjoy the peace and the thrill and the financial security of proving god s promise most people think giving is a luxury they can t afford they say they ll give when they get rich they say giving is painful because it demands sacrifice they say a person who gives seriously is a saint or a sucker they re wrong the art of giving is a biography of paul j meyer and how he is a role model for the next millennium he doesn t give his surplus earnings he sets giving targets then works to meet them the commitment and scope of his philanthropy are without parallel in modern times and his giving underpins his success he wants to change the world and he s already begun

an honest assessment for how to determine your individual relationship with charitable giving in today's world from world renowned philanthropists Charles Bronfman and Jeffrey Solomon of the Andrea and Charles Bronfman Philanthropies comes a comprehensive guide on how to be a canny street smart effective philanthropist regardless of your income level it is also a perfect companion for nonprofit program and development executives who would like to introduce donors to their work and their organizations despite their critical importance to philanthropy donors have few resources for solid information about making their gifts deciding what type of gift to give how to structure it the tax implications what level of follow up and transparency they should ask for and expect and countless other complexities this book fills that vacuum and helps you gain a special understanding of philanthropy as a business undertaking as well as a deeply personal reflective process drawing on decades of experience the authors offer a fresh enlivening approach to the nonprofit enterprise that too often is undervalued and thought of as the province of the burnt out and the overwhelmed along with its many candid insights and memorable anecdotes the art of giving also offers instruction on how to create a business plan for giving that works for you

the art of giving love in a world that often measures value by what we accumulate giving remains one of the most powerful transformative acts available to us it is a quiet force one that does not demand attention yet has the ability to change lives strengthen communities and heal the human heart giving is more than a gesture it is a language of connection a reflection of who we are and a pathway to a more compassionate world this book the art of giving love is a celebration of that truth it explores the many ways that giving can take joy kindness compassion knowledge time etc these gifts do not require wealth or status they arise from the abundance within us every moment we have the opportunity to uplift someone else to ease a burden to inspire growth or to simply make the world a little brighter as we journey through each chapter we will discover that life is not merely a cycle of give and take it is a practice a discipline and an art one that leans more toward giving than receiving and in embracing this truth we realize something profound the more we give the richer we become not in possessions but in purpose meaning and love may this book remind you that every act of giving no matter how small creates ripples far beyond what the eye can see and may it inspire you to give generously authentically and with an open heart life is a tapestry woven with threads of connection compassion and generosity each of us walks a path marked by experiences relationships and opportunities and in every moment we are presented with a choice to give or to take this book is an invitation to explore the profound art of giving the conscious heartfelt and intentional act of sharing what we have in all its forms with the world around us giving is far more than a simple exchange it is a reflection of our values our character and our capacity to love it transcends material possessions encompassing time attention understanding encouragement forgiveness and service the gifts we offer are not always tangible but their impact is profound often rippling far beyond our awareness to touch lives uplift spirits and inspire change in these pages you will explore sixteen different

dimensions of giving joy kindness compassion knowledge time peace trust empathy emotional support shared experiences forgiveness encouragement happiness gratitude service and giving back to life itself each chapter offers insights reflections and practical ways to cultivate generosity in our daily life creating a ripple effect of positivity connection and growth the art of giving is also the art of living fully when we give we open ourselves to receive not in the form of material reward but in deeper fulfillment meaning and connection giving transforms both the giver and the receiver it teaches empathy nurtures resilience and fosters a sense of purpose that no amount of taking can ever replicate this book is for anyone who seeks a more intentional compassionate and fulfilling life whether you are at the beginning of your journey of generosity or have long embraced the joy of giving these chapters are designed to inspire reflection encourage action and illuminate the beauty of a life devoted to the well being of others as you read i invite you to open your heart and reflect on the gifts you have received and consider the ways in which you can give back small or large simple or profound because in the art of giving every act matters every intention counts and every gesture no matter how small creates ripples that can change lives starting with your own the journey of giving is timeless priceless universal and transformative life's truest abundance is found not in what we take but in what we give

activist documentary filmmaker and founder of the nonprofit lunch on me laraya gaston offers inspiring and practical guidance for bringing kindness generosity and love to a world in need if the world's problems feel overwhelming and making a difference seems impossible you're not alone so many of us wish we could be doing something good and purposeful but we get stuck we think that what we do won't matter or that we'll do it wrong or that we don't have enough time or resources to begin with but caring about each other is a natural instinct all humans have what is it doing to our minds bodies and souls to ignore this part of our humanity in love without reason the lost art of giving a f ck gaston shares an inspiring and actionable guide to help us connect with our hearts reawaken our innate desire to make a difference and then make that difference in a way that not only helps others but also nourishes our own joy through gaston's inspiring stories and practical guidance you will dismantle the blocks that stop you from reaching out to your fellow humans both personal fears and societal obstacles learn how to help in a good way a way that's needed matches your gifts and feels uplifting for you and those you serve create positive energy exchanges the energy behind how we give is as important as what we give identify the places you can bring more kindness and caring into the world to your community your loved ones and yourself reconnect with your natural instincts for empathy and service and experience the joy that arises when you do explore a list of dozens of micro gestures simple intentional acts of caring for another person that can be done by anyone anywhere at any time filled with profound heartwork exercises journaling prompts and real world practices love without reason helps you discover that showing you care showing you actually give a f ck doesn't have to be difficult and isn't about sacrifice it's about joy and it's about love

the art of giving one nonprofit can change the world is the short introduction into the committed series of giving taking a deep dive into the internal external definition of giving ask yourself what does giving mean to you have you ever wanted to create a nonprofit organization for change this book is for you this is the guide to creating change through the works of a nonprofit the author breaks down the startup process on how to establish your organization through business guidance inspiration cultivating the elements on why how to give this is the perfect book for every human being with the heart to transform lives learn how to build a sustainable nonprofit through the cultivation of inspiration change learn the true elements of how to give through the rear view of a nonprofit foundation
