little leveled readers are not too easy or too hard but just right that's because they have been carefully evaluated by a reading specialist to correlate with guided reading level. Inside you'll find 75 storybooks, 5 copies of 15 titles on topics children love which makes them perfect for group learning. Includes a mini teaching guide for use with grades pre-K-2.

This lively collection of over 100 classroom activities allows teachers to exploit fully the language learning potential of extensive reading. The activities contributed by teachers who have used them successfully in classrooms all over the world introduce extensive reading to students and link it with the rest of the language curriculum. Here is a wealth of ideas for encouraging students to read and for using students' reading experiences for further language practice and learning. These creative and enjoyable speaking, listening, role play, reading, writing and vocabulary activities are suitable for students of all ages and levels. Each activity is clearly explained together with a personal note from its author. This is a handbook for teachers of general language courses or grammar, listening, speaking, writing or reading courses. It is written for teachers both non-native and native speaking and for teachers both novice and experienced. It will also be of interest to teacher educators.

The Common Core State Standards encourage teachers to use close reading as a means to help students access complex text. Many literacy experts believe close reading has the power to create strong independent readers, but what does that really mean and how does it work in the classroom? This book is your must-have guide to getting started. It provides step-by-step strategies and scaffolds for teaching close reading and improving students' comprehension of complex texts. You will learn how to teach close reading based on text type, how to transition students through increasingly challenging texts and how to use close reading as a springboard for close writes and close talks. Special features include an easy-to-use framework for creating a close reading lesson, close reading strategies for a variety of literary and informational subgenres, ideas for teaching close reading to meet specific comprehension objectives based on the Common Core, including analyzing text structure and evaluating argument, suggestions for helping students read with increased levels of rigor, a clear explanation of what text complexity really means and how it varies by student, scaffolds to help students at all ability levels, do-a-close-reading guidelines and procedures for close talks, purposeful focused discussions about text, procedures for close writes that vary based on genre and student ability level. In addition, each chapter includes study guide questions to help you apply the ideas in the book to your own classroom. With this practical book, you will have all the tools you need to make close reading a reality.
